INTRODUCTION

WELCOME

Welcome to Mercury Colleges. This handbook provides you with everything you need to know about studying with us in Australia. By choosing us as your education provider, you are choosing a high-quality and industry relevant course and education provider to ensure you are set up for the future. The Mercury Colleges Student Handbook is for students who enrol in an English language course registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at www.cricos.education.gov.au. It contains important information to provide student support from commencement to completion.

ABOUT US

Located in Sydney CBD, Mercury Colleges provides courses in the areas of leadership and management, marketing and communication, business, individual support, ageing support, project management and ELICOS courses. With well-located and comfortable facilities for students, industry current trainers and assessors along with modern equipment and resources, Mercury Colleges is a wise choice for your learning and future.

Mercury Colleges is a provider of vocational education and training (or VET as it is commonly known). The VET sector in Australia is based on a partnership between governments and industry. VET qualifications are provided by government institutions, called Technical and Further Education (TAFE) institutions, as well as private institutions.

We are a private institution. VET courses broaden your skills in specialised areas and are competency based. This means that you are either Competent, or Not Competent, and if you achieve competence for all your units that make up a qualification then you can be awarded with your qualification certificate. To read further about vocational education and to see the various certificate levels which make up the framework, follow the link: <https://www.studyaustralia.gov.au/en/plan-your-studies/vocational-education-and-training>

As well as offering VET courses, we also offer English language courses (also known as ELICOS courses) which help you to develop your English language skills for everyday life, including work and study. To read more about English courses and the types of English language courses, follow the link: <https://www.studyaustralia.gov.au/en/plan-your-studies/english-courses>

OUR OBLIGATION TO YOU

As a Registered Training Organisation (RTO) and CRICOS Education Provider registered with Australian Skills Quality Authority (ASQA), we have an obligation to ensure the quality of the nationally recognised training and assessment we deliver. We must comply at all times with the Outcome Standards for RTOs, which are part of the VET Quality Framework, as well as the Education Services for Overseas Students Act 2000 and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code) and the ELICOS Standards 2018.

We take this seriously, so we have developed policies and procedures along with systems within our business to make sure we comply with the standards and legislation. As we are responsible, this means that we take responsibility for any third parties we may work with – this includes training partners, education agents and sales/marketing providers. We participate in audits with the regulator (ASQA) and must provide them with information when they request it.

We are also required to issue you with your Australian Qualification Framework (AQF) certification documents (VET courses only) once you have been found competent and with certification for ELICOS courses too. If you feel in any way that we are not living up to our obligations, you have the right to make a complaint. ACADEMIC INTEGRITY

Artificial Intelligence (AI) and Large Language Models (LLMs) are increasingly being used in the workplace and educational facilities.

Mercury Colleges expects that all content generated in the course of undertaking studies with us will be your own original work.

Any use of AI will be for assistive purposes only, not to create substantive content for assessment.

Mercury Colleges has a plagiarism policy which sets out expectations regarding academic integrity and the methods we use to detect AI and LLMs in student assessments.

The plagiarism policy also covers our stance on cheating, collusion and other forms of plagiarism.

Usage of text directly from AI or LLMs is plagiarism and is treated as such.

Mercury Colleges provides students with further information about academic integrity during orientation and your trainer and assessor will also discuss this with you in class.

SUPPORT AND WELFARE

We all need a little extra support sometimes and when you are living and studying overseas – you may need a little bit more than you normally would. We are here to help you – so don't ever be shy to let us know what you are going through and how we can help.

We offer the following in relation to support and welfare:

- One-to-one support from the trainer/assessor.
- Support with personal issues, including your overall wellbeing.
- Access to additional learning resources.
- Reasonable adjustment in assessment.
- Social events.

You may not have studied for a while, may have English as a second language or need additional assistance. We will identify any additional support needs you may have at the time of application and enrolment and may prepare a Student Support Plan for you based on those needs.

We have a range of information we can provide you with on a variety of issues – this may be related to accommodation, legal or financial issues, cultural considerations, disability support, stress management – or maybe you are experiencing a bout of homesickness. If you are experiencing it – then we are concerned about it. Please communicate with us because we care. We don't charge for

internal services, but you will be responsible for any external provider costs at the time you access the services. We can assist you to find local groups of like-minded people in the area, connect you with other students with similar interest groups or simply be a friendly listening ear when you need one.

Depending on your needs, we will provide you with a referral to the relevant local organisation and assist you to access services from them.

It's best to come and speak to the Administration and Student Support Officer where you can have a confidential discussion and get the right type of service / support for your need or concern.

Free counselling is provided by our Welfare Counsellor and available to those studying at the College on matters ranging from private concerns to living issues.

Students can see the counsellor for a variety of reasons. Everyone finds themselves in difficult circumstances at some time in their lives. Sometimes students want to speak to someone who is professional, confidential, and separated from family and friends.

Why you may see the Counsellor

If you are having personal difficulties, or just want to talk about:

Please contact the Student Services Office to learn more about Counselling Services that are offered and to make an appointment

If you want to make a complaint or appeal, you must:

- submit your complaint or appeal in writing using the complaints and appeals form. The complaints and appeals form outlines the information that should be provided and can be accessed from reception
- submit your complaint within 30 calendar days of the incident or in the case of an appeal within 30 calendar days of the decision being made.

We will acknowledge your complaint or appeal in writing within 3 working days of receipt.

We will commence reviewing your complaint or appeal within 5 working days of receiving the complaints.

Complaints and appeals will be finalised as soon as practicable or within 30 calendar days. However, where the complaint or appeal is expected to take more than 60 calendar days to process, Mercury Colleges will write to inform the complainant or appellant of this including the reasons for such. Following this update, regular updates will be provided of progress.

For assessment appeals, we will appoint an independent assessor to conduct a review of an assessment decision that is being appealed.

We will communicate the result of the complaints and appeals process to you in writing and this will include the reasons for the decision.

If at any time during the process you do need to come in for a meeting, you can have a support person of your choice present to assist you to resolve the complaint or appeal.

Generally, your enrolment will be maintained throughout any internal appeals process that concerns a decision to report you.

Additionally, if the appeal is against our decision to report you for unsatisfactory course progress or attendance, your enrolment will be maintained until the external process is completed and has supported or not our decision to report you.

If the appeal is against our decision to suspend or cancel your enrolment due to misbehaviour, this will not take effect until after the outcome of the internal appeals process.

Information about Mercury Colleges' complaints handling, including a copy of the complaints and appeals policy and complaints and appeals form will be published on the website.

INDEPENDENT PARTIES

Where the internal process has failed to resolve the complaint or appeal, you will be able to take your case to the **Overseas Students Ombudsman (OSO)**.

International students may complain to the OSO about a range of circumstances including:

- being refused admission to a course
- course fees and refunds
- being refused a course transfer
- course progress or attendance
- cancellation of enrolment
- accommodation or work arranged by Mercury Colleges
- incorrect advice given by an education agent
- taking too long in certain processes such as issuing results
- not delivering the services indicated in the Student Agreement.

More information can be found at:

<https://www.ombudsman.gov.au/complaints/international-student-complaints>

You can access these services at no cost in relation to matters that cannot be resolved through internal processes. Further information and contact details are included below.

We will cooperate in full with the OSO and will immediately implement their decisions or recommendations and/or take preventative or corrective action required by the decision or recommendation.

We will communicate all actions to you in writing based on the OSO's decision.

Complaints can also be made to the organisations indicated below:

NATIONAL TRAINING COMPLAINTS HOTLINE:

The National Training Complaints Hotline is a national service for consumers to register complaints concerning vocational education and training. The service refers consumers to the appropriate agency/authority/jurisdiction to assist with their complaint. Access to the Hotline is through:

Phone: 13 38 73, Monday–Friday, 8am to 6pm nationally

Online Complaints Form: <https://www.dewr.gov.au/national-training-complaints-hotline/national-training-complaints-hotline-complaints-form>

AUSTRALIAN SKILLS QUALITY AUTHORITY (ASQA):

Complainants may also complain to our registering body, Australian Skills Quality Authority (ASQA). It is important to understand that ASQA does not act as an advocate for individual students and is not responsible for resolving disputes between students and training providers. ASQA only uses information from all complaints as intelligence to inform regulatory activities. More information can be found at:

<https://www.asqa.gov.au/complaints>

Nothing in this policy and procedure limits the rights of an individual to take action under Australia's Consumer Protection laws and it does not circumscribe an individual's rights to pursue other legal remedies.

COMPASSIONATE OR COMPELLING CIRCUMSTANCES

You will find that many of our policies refer to compassionate and compelling circumstances so it is important to understand this term.

Compassionate and compelling circumstances are personal circumstances that:

- are involuntary and outside your control, for example, medical, family, wellbeing, or enrolment circumstances, and
- present you with limited or no choice.

They could include but are not limited to:

- unexpected severe illness or death of a family member
- you are involved in custody proceedings for your child
- you or an accompanying immediate family member has an acute medical condition requiring treatment
- you have been involved in legal proceedings where the timing is beyond your control

TERMS & STUDY PERIODS

There are no terms for English students. Classes, or study periods, operate on a rolling 49-week academic year with a 3-week scheduled break over the Christmas/New Year period.

COURSE PROGRESS AND MONITORING

In order to maintain satisfactory course progress and attendance you must:

- attend all of your classes, with a minimum attendance of 80% expected
- satisfactorily complete all of your assessments
- actively participate in classes.

Your course progress will be monitored to make sure you are completing all of your assessments and actively participating in learning. There are weekly tests that student must participate in to demonstrate their skills.

Your attendance will be recorded at the start and end of each class you attend, and your attendance rate will be calculated weekly. Please note you cannot be absent for more than 5 consecutive days without approval for a leave of absence. If you are absent, we will contact you via SMS, phone calls and emails.

We may assess that you are at risk of unsatisfactory course progress and/or attendance if you:

- have an overall result of Not Yet Competent result for a unit
- do not attend classes on a regular basis
- do not participate in learning activities within the classroom.

An exception may be made where you are attending at least 70% of the course contact hours and is maintaining satisfactory progress.

In this case we will contact you in writing and issue you with a First Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and/or attendance and to agree on a plan to address this (an Intervention Strategy).

If following the First Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Second Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and/or attendance and to possibly adjust the Intervention Strategy agreed on.

If following the Second Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Notice of Intention to Report for Unsatisfactory Course Progress/Attendance including the reasons for the notice. This will mean you may be reported to the Department of Home Affairs with the risk of your visa being cancelled. You may appeal this decision (see section on complaints and appeals) but you must do so within 20 days of receiving the notice.

We will only report unsatisfactory course progress or unsatisfactory course attendance if:

- the internal and external complaints processes have been completed, and the decision or recommendation supports our original decision; or
- you do not appeal the decision within the 20-working day period; or
- you do not access an external complaints and appeals process; or
- you withdraw from the internal or external appeals processes by notifying us in writing.

Please note that extensions to your course duration specified on the CoE will be allowed:

- if you can provide evidence of compassionate or compelling circumstances
- where you are participating in or about to participate in an intervention strategy because you are at risk of not meeting course progress or attendance requirements.
